Due to the reduction of library staff, the Adult Summer Reading Club has had to eliminate and/or cut back on some of the things we used to do. Some of this was intentional; some was unintentional. Assuming staff will be sparse again next year, we need to know where to concentrate our time. Please rank the following in importance to you, with #1 being most important and #5 being least important:

- _____ Having award certificates preference asked at registration, rather than having the certificates available only upon request
- _____ Going back to more in print format, rather than mostly everything done online
- _____ Keeping the posting of weekly stats & member reviews up-to-date
- _____ Receiving a congratulatory email when you've met your goal
- _____ Receiving a welcome email upon registration

Please Note: One of the changes made this year, allowing pre-registration, was an overwhelming success, and will definitely be repeated in future years.

Please answer the following about the puzzles:

Scavenger Hunt	_____	_____	_____	_____	_____	_____	_____
