

Welcome to the Friends of Hunterdon County Library

Outreach Page

We are pleased to offer the service of bringing books and other items from the Hunterdon County Library system to individuals who are home-bound for any reason. If you have just had surgery or are recuperating, just give us a call. Our volunteers are ready to serve you. If you no longer are able to drive, call us and we will connect you to one of our Outreach volunteers.

TO VOLUNTEER: If you are interested in volunteering, also please call us. Volunteers are responsible for picking up and delivering books and other items requested by the client (homebound individual). Volunteers return the items to the library on or before their due dates.
