

PARKING

There is free on site parking. Overflow parking with complimentary shuttle service will be available at the Headquarters Library parking lot (1/2 mile east of the Armory).

Come to the Armory first. If lot is full, you will be directed to follow the signs for Book Sale Shuttle Parking. Park in the library parking lot and look for the Shuttle Bus Stop at the blue tent.

Shuttle busses will run continuously during Book Sale hours on Saturday and Sunday.

Question: But, what if I want to buy boxes of books and I'm on the Shuttle Bus. How do I get them to my car?

Answer: No problem. Take your purchases to our Book Babysitter Truck at the Armory. (It's sort of like a coat check for books!) You will be given a claim check. Take the bus back to your car. Then, drive your car to the Armory and show the parking attendant your claim check. You can then proceed to the Book Babysitter truck to retrieve and load your purchases.
