

Meet Authors Allison K. Garcia and Quiteria "Kiki" Cloutman

Allison Garcia returns with her second book, *Finding Amor*. In a world filled with hate, how do you know what love is? Escaping a violent and abusive environment, eight-year-old Emanuel Martinez attempts to cross through three countries to be with his mother, Ana, whom he hasn't seen since he was a baby. When *la migra* catches him at the border and he's thrown into an immigration center, his dreams for being a real family start to disappear. As three people's lives intersect, will they help each other understand what family and love and home really mean?

First-time author Quinteria "Kiki" Cloutman's book, *On the Way Home - Columbia Trail*, is a photographic nature book complete with quotes from famous people. Quinteria is a local resident who wants to share the wonder, magic, and the sense of inner peace and healing that walking the Trail and nature brings.

Both authors will have their books available for purchase
