

with author Arlene M. Coleman

Arlene M. Coleman will talk about Ruth Gibbs from Flemington and her line of Godey's Little Lady Dolls. Coleman will piece together Gibbs's life, with anecdotes about how the doll maker came to settle in Flemington. The manufacturing of the Little Lady Dolls is described in precise detail, supported by photos showing the differences between Gibbs's early and later work. Collectors will learn how to identify the authentic characteristics of a true Gibbs doll.
