Jodee James

The Music of Wales and Other Celtic Lands

Singing ancient tales and ageless themes of love, loyalty, longing and mystery, with a voice that is touching and intimate, Jodee conjures the very essence of tradition, whether of this century or many centuries before us. Nobles, shepherds, lovers and dreamers, birds as messengers and inspiring heroes all come to life in Jodee's music. Jodee, who is one of New Jersey's premier Celtic performing artists, spins century old tales in with her own deft touches to create modern settings for ancient Welsh music and lore.
