

Local Author Patti Kerr

"It all began with a dog found lying in a puddle by the side of the road on a cold winter day. Immediately people came together to figure out what happened." When author Patti Kerr met the dog it began a magical journey of connecting the dots between people, dogs and rescues - and uncovering stories of dogs who impacted the lives of people as well as people and rescues who were impacting the lives of dogs.

There will be a book sale and signing. A portion of all book sales at the launch party will be donated to Big Dog Rescue Project, a New Jersey rescue who played an important part in this book and journey.
