

'Twas the

Before Christmas

virtually, an original musical comedy!

It's 2020 and a global pandemic is threatening to lockdown Christmas! Santa's supply chains are offline, his elves have taken to "working from home", (yeah right!), and even Mrs. Claus is losing hope that there will be enough toys for all the good little girls and boys. Santa sends an invite for one last online meeting to all his top elves in the hope that his streak of 2019 straight Christmases won't be broken. Will it be a Zoom bomb or a virtual miracle?

Presented by the **Hunterdon County Library**, the Hunterdon Harmonizers are prouder than ever to bring an ORIGINAL musical comedy to the screen for the folks on Santa's NICE list. The show will be **available at 7pm on December 11th through midnight of Christmas Eve**. Register at www.hclibrary.us or Calendar of Events at www.hclibrary.us

Made possible by funds from the New Jersey State Council on the Arts, a partner agency of the National Endowment for the Arts.
