

Space Clearing and Organizing

with Amara Willey of Time to Get Organized

Do you feel like you've been trying to get organized for a lifetime, that you put things in order and then they fall apart again? Our physical environment and our bodies are reflections of our thoughts and beliefs. This workshop addresses how to get our inner and outer selves to align so that we can achieve organizing sustainability. Based on the Law of Attraction and Feng Shui principles, space clearing provides tangible results. Finally, get organized for the new year!
