Inner Healer to Help Address
Everyday Common Issues
Safely and Naturally

with SueAnn Seccia-Harnden and Virangini Cindy Rounsaville

Do you have a scaredy cat or terrified terrier that freaks out at thunderstorms, when it meets new people, or can't travel well due to car sickness? Do you struggle with animals that are sometimes aggressive or bullying? Do you wish you knew how your pet felt about it's new food or bringing a new animal into the family? These are just some of the common issues that pet owners face everyday, and there are ways to address them through holistic approaches that work naturally and safely with your pet's immune and other body systems, emotions, and energy field.
