

Antiquarian Book Dealer Ron Morris

Ron Morris will discuss why to buy old books, what to look for, what first editions are and are they important and most importantly, how much should you pay for an old book. He has seen drastic changes in the vintage book business and has many anecdotes to provide about customers and dealers both here and abroad. Come spend an evening, bring your questions and take many notes! Who knows what treasures you may find at the next used book sale!
