

Hunterdon Chrysanthemum Chapter

March Meeting 2018

Friday March 16 at 2:30 pm

North County Branch
65 Halstead St.
Clinton, NJ 08809

Water Gardening

by Mike Gannon

Welcome to the first of our spring meetings for 2018!

Learn about the entrancing world of water gardening with expert Mike Gannon. He'll discuss the possibilities of water gardening in ponds or containers, plant choices, keys to successful water gardening, and seasonal considerations. Mike is the owner of *Full Service Aquatics*, based in Summit. He has 25 years of experience with designing, installing, and maintaining award-winning water gardens, koi ponds, waterfall displays, natural ponds, and water features.

HCC meetings, which will now be held at NCB Library, are open to all. Feel free to come by to hear the talk, meet some nice people, and enjoy some refreshments!
