

CELEBRATE
New Jersey
MAKERS
DAY

at the South County Branch Library

1432 Route 179, Lambertville, NJ (next to Animal Alliance)

Saturday, March 10
from 10am-4pm

Community members of all ages are invited to join us for an exciting day filled with activities focusing on maker culture.

Join us for Demonstrations by...

HC Parks Maple Syrup Bus
Holcombe Jimison Farmstead Museum
Red Mill Museum
Delaware Valley Bead Society
Home Depot
Michaels Crafts
Hunterdon Garden Guild of Flemington

Activities include flower arranging, pom-pom making, no-sew bags, build a coaster, Home Depot tool station, paper circuits, Little Bits Bubbles, button maker, Lego challenges, Toddler craft table, and birdhouse kits (while supplies last)

Makers Day is possible thanks to the support of...The Friends Of HCL, ShopRite of Flemington, Gilded Lily Florist

It is the policy of the Hunterdon County Library to provide reasonable accommodations for persons with disabilities with advance notification of need. Please call (908) 788-1434. Without advance reservations, it may not be possible to provide accommodations. 2/18

New Jersey MAKERS DAY

March 24, 2018 10am-4pm
North County Branch Library
65 Halstead Street, Clinton, NJ 08809

Join us for a day of creative making! NJ Makers Day brings together do-it-yourselfers, artists, crafters, computer programmers, and robotics clubs for a day of interactive, creative, inventing. All activities are free and most are available on a walk-up basis while supplies last. Exhibits are in both the library and community center next door. Come for an hour or spend the day, there is something for everyone 6+ to adult! Please check the library website at hclibrary.us for updates to this schedule.

At Makers Day you can:

- Pound some metal and engrave a pendant with Readington Metalworks
- Watch a First Tech Challenge (FTC) scrimmage between 3 NJ teams. Learn how teams design, build, program and operate robots in FTC clubs
- Discover what 3D printing is all about from the Robostorm Robotics 4H Club, then take home a 3D printed ID tag
- Drive a mini-robot or make a paper airplane with WAGS (We Are Girl Scouts) robotics team
- Design an electronic bookmark using conductive thread and Lilypad LEDs
- Cheer for your favorite robot in a LEGO BattleBots Challenge as the 4-H Robotics club puts their robots to the test in the BattleBot arena
- Build motorized models using Bricks 4 Kidz gears, pulleys & motors with a Bricks 4 Kidz instructor, then create your own unique model
- Design a Play-doh creation, then light it up using Squishy Circuits with Girl Scout Troop 81127
- Vroom vroom! Build a balloon race car with help from the North Hunterdon High School Science Honor Society
- Watch a skilled craftsman at work on a loom, and try it yourself
- Learn the intricate art of origami with Mary NK and library volunteers
- Make an LED felt flower and take it home to enjoy
- Watch a sewing or quilting demonstration, and try it yourself
- Design a video game with help from GAME-U design software, and test out the Oculus Rift 3D virtual reality game
- Visit with the Cherryville Repeaters Club and learn how HAM radio operators have been makers for over 100 years
- Join an architectural LEGO build with Bricks 4 Kidz, and construct a famous building
- Make slime with the local Etsy business owners of Leopard Print Slime
- Try bead stringing, weaving, wire working or kumihimo with the Delaware Valley Bead Society
