

GROW  
YOUR  
OWN

# Veggies

PRESENTED BY: *Marleny Franco* TUESDAY, MAY 24 2pm

Marleny has an MS in Horticulture, has owned her own landscaping business, and is the author of *Garden the Organic Way*.

She will cover everything you need to know to grow your own vegetable garden, including:

- Watering
- Deer
- Containers vs. Beds
- Grow from seed vs. Buying seedlings?
- Timing
- Types of veggies
- Planning & location
- Soil

Her tips and tricks will give you confidence to get started. It's not too late!

Please register to receive the Zoom link:
