

Genealogy from Home!

Regina Fitzpatrick, NJ State Librarian

Join NJ State Genealogy Librarian Regina Fitzpatrick as she covers what you currently have access to at the State Library, State Archives, and County Offices. She will also give you useful tips and tricks for using FamilySearch and Ancestry at home, and some great, free websites useful to your research. You'll spend time online looking at some great examples and some fun, neat stuff! Plenty of time will be left for questions and suggestions for great resources.
