

# The Modernistics Trio

## *Let's Fall in Love*

The Modernistics Trio (Ted Powers, vocals, guitar, tap and percussion; Peter H. Bloom, flute; and Dave Zox, double-bass) celebrates romance with a new video-concert which includes swinging hits like *Fly Me to the Moon*, *Pick Yourself Up*, *Sweet and Lovely*, *The Devil and the Deep Blue Sea*, and other love songs by our great American tunesmiths. The musicians have performed together for more than 20 years, praised for their superb musicianship and entertaining concerts.
